

Feminization of a male Contract, in service to Baroness V

I, _____
First AND Last Name (Please Print)
(hereafter referred to as "I", "my", "me" or as "the She-male")

give permission to my Baroness V to do what she has to feminize me to her satisfaction. I am willing to let the Mistress take over my appearance and my life, down to the last detail. Upon signing of this document give the Mistress the right to do whatever she want to do to my body AND my life to become Her She-male. I agree from this point on I am Baroness V's complete and total property and that I have absolutely no free will whatsoever.

For my Baroness V to do this She will start by instructing me to obtain and start taking female hormones (only by method that Baroness V can verify on cam!). In addition, Baroness V will also instruct me to begin acquiring female clothing of her choosing.

This clothing may include the following (but also may include ANY other clothing Baroness V deems fit): mini-dresses and miniskirts, thong panties, garter belts, corsets, stockings, and high heels. As each new article of female clothing is acquired it is demanded of me to destroy one article of male clothing equivalent to the female clothing. I promise to continue this practice until all male clothing is destroyed and I am only able to wear female clothing. My clothing must meet my Baroness V's approval at all times. All clothing worn and in the she-males wardrobe MUST be feminine in nature and color, one item in pink MUST be worn daily . All skirts MUST end above the knees and below the genital area and may only be spandex, Lycra, satin, vinyl, leather, latex, or denim in fabric. All shorts MUST be extremely short such as hot pants or daisy dukes and maybe only be satin, vinyl, leather, latex, lycra, or denim in fabric. All shoes must have a 4inch or higher heel and must be open toed in design. I agree to submit to the only exception being thigh high boots with a minimum heel of 4 inches.

As a term of my contract, I am to have my eyebrows shaped in a high arched, thin, feminine style within the day of signing by salon professional within 1 day of signing. I am to maintain my eyebrows on a regular schedule determined upon by the salon professional for the remainder of my ownership. In addition, I am to have my ears pierced with 3 additional stud piercing to the current 1 stud piercing I currently have within 1 day of signing at either a Claire's apparel store or similar jewellery store. The 3 additional stud piercing are to be done with the most feminine stud available decided upon by the female doing the piercing at the store. Furthermore, I submit to getting my belly button pierced with previously purchased jewellery Baroness V chooses and a Monroe piercing with a rhinestone stud, as well as front cartilage ear piercing with pink captive hoops within 3 days of signing by a piercing professional. By order of Baroness V I agree at a later date after my breast have reached their final size decided upon by Baroness V I will have the nipples pierced with permanent jewelry I agree to have tattoos permanently inked on my body within 12 weeks of signing. The tattoos I must acquire are the following:

1. A daisy flower on my lower back with extremely girly design flowing out from it in a 'tramp stamp' fashion with 'Baroness V's Whore' tattooed in the center of the daisy.
2. 2 sets of hot pink lips on the bikini line between the belly button and sissy clit with one set of lips having the words 'Sissy Faggot' tattooed in them and the other set having 'Sissy Whore'
3. A pink heart around the belly button with Barbie Doll written inside the heart around the belly button.

The tattoos must be done within 12 weeks of signing and Additional tattoos may be added at a later date at Baroness V's request for both punishment and reward.

As an outward sign of my commitment to be a perfect she-male for Baroness V and as a term of the contract, I will keep and maintain artificial fingernails to Baroness V's desired length. At Baroness V's command the length of my fingernails will be no longer than 16 inches or shorter than a 4 inches and will be French tip in style with the tips painted a shade of pink decided upon by the manicurist and my fingernails will have an additional feature of rhinestones, daisy decals, or heart decals to also be decided upon by the manicurist. She-male is allowed to bring additional 'nail art' designs to Baroness V for her approval for future salon appointments. I agree to have my fingernails styled in this fashion within 4 weeks of signing. At Baroness V's command the length of my toenails will be no longer than 8 inches or shorter than 2 inches and will be French tip in style with the tips painted a shade of pink to be decided upon by the manicurist and will have the additional feature of rhinestones, daisy decals, or heart decals to also be decided upon by the manicurist. She-male is allowed to bring additional 'nail art' designs to Baroness V for her approval for future salon appointments. I agree to have my toenails styled in this fashion within 4 weeks of signing.

I agree to maintain a regular appointment schedule decided upon by the manicurist and approved by Baroness V after completing my first nail appointment. After 6 months of signing the contract, by Baroness V's command, I am no longer allowed to wear any type of closed toe shoe unless it is thigh high boots with a minimum of a 4-inch heel or approved by Baroness V.

At Baroness V's command I further agree to locate the salon in which I will want to have my hair styled at and will provide Baroness V with the contact information so that she may set up the initial appointment. In addition, I agree to humbly request that the stylist consult with Baroness V at the time of my styling while I am present to determine the best style possible for my hair. If the stylist refuses I agree to simply inform the stylist that I desire the girliest style possible and that she has complete in the design of the style. Furthermore, I agree to have my hair colored with highlights in platinum blonde and lowlights in baby pink when my hair reaches the minimum length required for such styling and will maintain all coloring of my hair with an appointed schedule determined by the stylist and approved by Baroness V. At Baroness V's command I agree to never wear a wig or artificial hair piece as well as to never request a stylist add any sort of hair extensions unless it is the desire of the stylist and Baroness V is informed by extensions are applied. I agree to submit to whatever future style Baroness V wants no matter the style or color.

The she-male will also go to get waxed regularly at a salon within 8 weeks of signing. I agree to maintain any appointed schedule the technician sets up to keep the hair free body Baroness V desires. In addition, I agree to regularly shave my face, underarms, ass areas, and genital areas so that they are ALWAYS hair free if a salon technician cannot wax these areas within 8 weeks of signing. I agree at 3 months after signing to begin laser hair removal once I have found Baroness V approves suitable place with a pricing plan I can afford that. I agree that once I begin laser hair removal I cannot stop until my ENTIRE body is permanently free of hair with the exception of the hair on top of my head. I further agree to have my eyebrows applied with laser hair removal once I begin the process to keep the style the salon decided upon permanent.

The she-male will wear a chastity device of Baroness V's choosing on the penis at all times unless the Baroness V allows the she-male out of the chastity device. If at any time Baroness V believes that the chastity device has been tampered with or removed without prior approval I agree to undergo a more permanent chastity method to be decided upon by Baroness V without my knowledge.

I agree to receive the permanent make up by Baroness V's friend and will obey any commands given to me by Baroness V's friends as if it was Baroness V herself. I agree to undergo breast augmentation surgery at a later date of Baroness V's choosing once it has been determined that my breasts will not grow anymore on their own to achieve the desired cup size of Baroness V's choosing. I agree to do all research necessary on breast implants to find the right implant for me and present my findings to Baroness V for her to choose the appropriate method. I further agree at no time I am to question Baroness V's choosing on this matter. I agree that my final cup size should be FF but that anytime from the time of signing till the time of surgery the final cup size can be changed to whatever Baroness V's choosing and that whatever she makes I will happily submit to any surgery necessary to achieve it.

I agree to submit to Baroness V's command of never having full SRS surgery to become a technically complete woman with a vagina. I understand that I submit to this because I will never be a real woman no matter what surgery is performed and that I am not worthy enough to ever be considered a woman.
